

Wenjie Li

PERSONAL INFORMATION:

- Nationality: Chinese
- Gender: Female
- Address: Beijing Jiaotong University, Haidian District, Beijing, China
- Email: 16112058@bjtu.edu.cn

EDUCATION:

- September 2016~Present Ph.D. Candidate in Signal and Information Processing
Institute of Information Science, Beijing Jiaotong University
- September 2015~August 2016 Master Degree Candidate in Signal and Information Processing
Institute of Information Science, Beijing Jiaotong University
- September 2011~June 2015 Bachelor of Engineering in Electronic and Information
School of Electronic and Information Engineering, Taiyuan University of Science and Technology

RESEARCH EXPERIENCES:

Research Projects include:

- Study on adversarial attacks and its application on counter-forensics
- Study on digital image forensics
- Study on reversible data hiding
- Study on image privacy protection

PUBLICATIONS:

- Wenjie Li, Rongrong Ni, Xiaolong Li and Yao Zhao, Robust median filtering detection based on the difference of frequency residuals, Multimedia Tools and Applications, 78(7), pp. 8363-8381, 2019.
- Wenjie Li, Rongrong Ni and Yao Zhao. JPEG Photo Privacy-Preserving Algorithm Based on Sparse Representation and Data Hiding. International Conference on Image and Graphics, 2017. **(Best Paper)**
- Wei Zhao, Pengpeng Yang, Rongrong Ni, Yao Zhao and Wenjie Li, Cycle GAN-Based Attack on Recaptured Images to Fool Both Human and Machine, International Workshop on Digital Forensics and Watermarking (IWDW), 2018.

HONORS AND AWARDS:

2013.10 National Scholarship

2015-2017 Beijing Jiaotong University First Class Academic Scholarship
